## Welcome One Summer Interns!

300 South Riverside Plaza is happy to participate in City of Chicago youth employment program, ONE SUMMER. This program provides meaningful, skill-building, summer jobs to 32,000 young adults in our community. The program will spend 4 weeks virtually and 1 weeks on-site at 300SRP.

Please join us in welcoming Kaila and JaTaeja, who is returning for her second summer, as they spend a week of August interning with us!

They will learn about Building Management and Operations through our management, engineering, security, and janitorial staff.

## 300SRP APIARY UPDATE

Under the care of City Beekeepers, new frames are being added weekly to grow 300SRP's hives this summer! Currently, 90,000 bees are buzzing around 300SRP's three rooftop hives. By the end of the season this could be as many as 150,000 bees! They are hard at work making local Chicago honey.
