300 South Riverside Plaza

How long have you been at 300 South Riverside Plaza?

In January, it will be 2 years!

When you aren't working what do you enjoy doing?

I love to sing! I am in several bands, singing mostly pop, country, R&B and rock music...but I love to sing just about anything! I also love healthy cooking, walking/hiking outdoors and spending quality time with friends.

What is the best piece of advice you have ever been given?

You can have it all, just not all at once.

What is your favorite thing about working at 300SRP?

Well, I love the building itself and walking into the beautiful lobby every day. It's such a luxury! But my favorite thing is the fantastic variety of people that work in this building, staff and tenants. It's a wonderful little community.
