

300 South Riverside is proud to follow BOMA's Illuminate Chicago Program, an initiative that raises awareness for causes, organizations and local initiatives.

We will illuminate the building's North Entry with the below colors this month!

Earth Week 2021
April 18th - April 24th
GREEN

The first Earth Day was celebrated on April 22nd, 1970. Also, Earth Day originated in the US, but became recognized worldwide by 1990.

National Work Zone Awareness Week
April 26th - April 30th
ORANGE

April 22nd

8:00am - 10:00am
North & South Lobby Turnstiles

Join us in the morning to receive Seed Capsules. Give back to Mother Earth with Seed Capsules made from a mix of annual and perennial wildflower seeds and 100% post consumer/recycled paper. Pick up a packet on your way into the office and bring it home to watch new growth in your own backyard. Just throw and grow!

TIME TBD
Virtual ESD presentation

Virtual ESD presentation.
<DETAILS HERE>

3:00pm - 5:00pm
Little Toasted

Show your building badge to redeem a free* pint of Sierra Nevada beer.

Sierra Nevada's Mills River brewery became the first production brewery in the U.S. to achieve LEED Platinum certification. Learn more about LEED Platinum certification under the Building Updates page of this newsletter. Find out more on Sierra Nevada's own sustainability initiative on their website: <https://sierranevada.com/about/sustainability/>

Tips for Earth Day!

1. Avoid plastic disposables by using a reusable water bottle, bring your own bags to the grocery store, and using plastic reusable straws.
2. Volunteer to clean up a local park, the beach, or alongside the roads.
3. Plant a Tree. Planting a tree is an easy way to remove carbon dioxide from the atmosphere, and a great way to counter deforestation.
4. Eat local. This is a great way to support local farmers and small businesses in your community.
5. Recycle what you can. Recycling is one of the easiest and best Earth Day tips. Plus, it is a great way to help the environment .
6. Unplug your devices. Devices left plugged in, even when turned off, still consume power. Try unplugging your devices once fully charged.
