Mazie Robinson
Property Administrator

How long have you been at 300 South Riverside Plaza?

I started at 300SRP on April 12th.

When you aren't working what do you enjoy doing?

When I'm not working, I enjoy spending time with my family, reading, and shopping!

What is the best piece of advice you have ever been given?

The best advice I have ever gotten is "Always go with the choice that scares you the most, because that's the one that is going to help you grow".

What is your favorite thing about working at 300SRP?

So far I would say my favorite thing about working at 300SRP would be the staff! Everyone was very welcoming and excited to show me around.

World Bee Day Tenant Event Honey & Tea

Thursday, May 20th, is World Bee Day!

Join us for Tea and Honey in the morning. Your choice of Green Tea, Earl Gray, and Hibiscus Spice paired with honey sticks from the Roof Apiary.

Individually packaged Honey Sticks & Tea will be placed near both the North and South Turnstiles from 8:00am to 12:00pm.

Did you know that the Building has three Bee Hives on the roof of 300SRP?

Roof Apiary Bee Hives

This April we awakened our 3 rooftop beehives! Now 90,000 bees are "buzzily" working on our city's plant population. Our Building beekeeper Bill Whitney visits regularly to check on the hives and feeds the brood special bee snacks.

Each hive produce 40-60lbs of honey per year.
