Get To Know 300 Staff!

Wayne Dabrowski
IT Manager

How long have you been at 300 South Riverside Plaza? I have been working here for about 4 months now!

When you aren't working what do you enjoy doing? When I'm not working, I love to spend time with my wife, 7 year old son, and dog. We sometimes will play Mario Party together, go for a walk around the neighborhood, or watch movies together!

What is the best piece of advice you have ever been given? Learn to walk away from a problem if you have been banging your head against it for a little while. You might end up finding the solution focusing on something else for a bit.

What is your favorite thing about working at 300SRP? It's got to be the people! Everyone is very friendly and kind, I love being able to see the riverfront, and Little Toasted being downstairs isn't bad either!
