## Get To Know 300 Staff!

Xochitl (So-Chi) Gomez  
BuildingHub Concierge

**How long have you been at 300 South Riverside Plaza?** I have been working here for 3 months!

**When you aren't working what do you enjoy doing?** When I'm not working you can find me hanging out with my partner and our dachshund Tugboat, drinking coffee, playing records and desperately trying to keep my plants alive.

**What is the best piece of advice you have ever been given?** "If it is important enough to you, you'll find a way. If it is not, you will find an excuse."

**What is your favorite thing about working at 300SRP?** The sleek building along the river is absolutely stunning. But I've really enjoyed getting to know the staff in each department. Everyone is so welcoming, I'm always greeted when I walk through the doors. The energy really makes the workday fly by!
