David Rubel
Building Accountant

How long have you been at 300 South Riverside Plaza? I have been at 300SRP now for almost 3 full months.

When you aren't working what do you enjoy doing? My favorite things to do are traveling (a bit hard to do now), especially overseas in foreign cultures; athletics and fitness; eating exotic spicy foods; movies; spending time with my family (difficult to do as most of them live on the other side of the world); keeping up with the world of science and computers; and listening to music (once upon a time also playing and spinning - I was a drummer and a DJ ... long ago).

What is the best piece of advice you have ever been given? The best advice I have ever been given is simple - always be yourself and be true to yourself - took me nearly a lifetime to fully understand and appreciate that.

What is your favorite thing about working at 300SRP? The people I work with here are among the most professional, most pleasant and polite, and most enjoyable people I have ever worked with in my life... that makes all the difference for me in my workday here at 300SRP.
