## CONCIERGE CORNER: OCTOBER

### Jack's Pumpkin Pop-Up
Returning to a two-acre plot of land just west of Goose Island, Jack's Pumpkin Pop-Up saves you a trip to the suburbs by bringing a huge corn maze, more than 10,000 pumpkins, ax throwing, carnival games, food trucks, twinkling orange light displays and more fall fun to the city. A general admission ticket gets you access to the pop-up, but you can also opt for add-ons that let you take home a pumpkin, grab a drink at one of three bars or go axe-throwing.

### Pier Pumpkin Lights
You'll find nearly 1,000 glowing pumpkins spread throughout Navy Pier at the attraction's month-long Pier Pumpkin Lights event, which places elaborate jack-o'lanterns across the Pier's outdoor facilities. Wander around the glowing, spooky spectacles and catch deals from the Pier's many restaurants and bars, plus other seasonal festivities fit for the whole family.
