CONCIERGE CORNER:

CANDLELIGHT CONCERTS:

Nothing is cozier than candlelight, and Chicago's Candlelight Concerts promise to be an immersive musical experience. With flickering candles adorning beautiful concert halls and repurposed venues, the series features music from a variety of genres and artists. Aretha Franklin, ABBA, Taylor Swift, are just a few of the myriad of options one can choose from. And if you're more of a traditionalist, don't worry! There's also a night dedicated to Vivaldi's Four Seasons and other classical musicians.

Save The Date

Join us December 7th, 4pm-6pm in the lobby for holiday cheer as we close out the year. Expect a delightful spread of light bites, spirits, and lively music.
