## Race for the River 5K & Family Festival

Join 300 South Riverside in supporting Friends of the Chicago River's Race for the River 5k and Family Festival. As building ownership and CBRE continue to develop a riverwalk along 300 South Riverside Plaza, including an aquatic wildlife habitat, we think it's important to support fellow organizations that expand the health and improve the river edge.

The 5K will occur on Saturday, September 21 at River Park in Chicago. We encourage your participation by registering to run, walk, or stroll the 5K along the river trail or take a guided nature walk around the parks. There will be snacks, drinks and fun river-centric activities offered during the Family Festival.

To see more of 300's Riverwalk vision please visit the Westbank Riverwalk Coalition website: <https://www.wbriverwalkco.com/>.
